CONSIGNED BY JADE LIVESTOCK

■ Lady 37N combines eye appeal and power - everything you look for in a future brood cow. She's bold in her rib, wide-based, and carries herself with a commanding presence that makes her stand out in any lineup. 37N is as quiet and easy to work with as they come. She's currently being used as a 4-H project and is headed to The Royal Agricultural Winter Fair. We would like to retain possession until after the Royal, at which time, we will deliver her at our expense. This heifer is the complete package - style, substance and temperament all wrapped into one impressive prospect.
